15          6.       Pigida and Bondarenko at all material times were principals, officers, owners and  
16          shareholders and insiders of the debtor.

17          7.       Pigida and Bondarenko are trustees of Lakeshore Enterprises Trust.

18          8.       Debtor Trend Sound Promoter AMG Corp. filed a Chapter 11 bankruptcy petition  
19          on April 25, 2014.

20          9.       The case was converted to a Chapter 7 proceeding on June 2, 2014. Nancy James  
21          was appointed as the Chapter 7 trustee.

22          10.       On or about January 27, 2014, the debtor transferred by wire \$1,454,448.11 to Ticor  
23          Title Company for the benefit of SoundT.

24          11.       On or about January 29, 2014, the defendants caused to be recorded a Statutory  
25          Warranty Deed wherein the grantees were Pigida and Bondarenko as trustees of Lakeshore

1 Enterprises Trust and the property transferred was the real property commonly referred to as 3713

13 and within one year prior to the date the bankruptcy petition was filed.

14 15. Said transfers were made to SoundT, or for its benefit.

15 16. Said transfers were property of the debtor.

16 17. The transfers were on account of an antecedent debt, which was the license  
17 agreement entered into between the debtor and SoundT on or about December 5, 2012.

18 IT IS HEREBY FURTHER ORDERED, ADJUDGED AND DECREED that

19 18. This adversary proceeding is one arising in the Chapter 7 case of the above-named

3           21.     The transfers were property of the debtor.

4           22.     The transfers were for the benefit of a creditor, to wit, SoundT.

5           23.     The transfers were on the account of an antecedent debt which was created by the  
6     license agreement between the debtor and SoundT dated December 5, 2012.

7           24.     The transfers were made within 90 days of the date of the filing of the debtor's  
8     bankruptcy petition.

9           25.     The transfers enabled SoundT to receive more than it would have received under
